Formalities for a doctoral thesis defense from the University of Lyon operated within INSA LYON

References:
Order of 25 May 2016 setting the national framework for training and the procedures leading to the award of the national doctoral diploma, and relating to the procedures for depositing, reporting, reproduction, dissemination and conservation of theses or works presented in defense for the Ph.D.

A Documents available on the FEDORA website

- The Defense Form
- The cover page of the manuscript (single degree and cotutelle). This model having been validated and adopted by all COMUE institutions, it is imperative to follow it, without adding other fields/logo.
- The List of Doctoral Schools to be included at the beginning of the thesis manuscript.
- The Administrative Folio to be included on the last page of the thesis manuscript.

B Additional documents

INSA’s SCD/Marie Curie Library is also in charge of the following documents:
- The certificate of submission of the thesis
- 2 copies of the Electronic Dissemination Contract for the doctoral thesis of INSA LYON, member of the Université de Lyon

In addition to the documents provided by FEDORA, other resources can be consulted:
- Guide for PhD students at the Université de Lyon

C Check on the website of your Doctoral School the documents and obligations to be fulfilled vis-à-vis your Doctoral School (https://fedora.insa-lyon.fr/fr/content/ecoles-doctorales-co-accreditees)
D  Re-registration and tuition fees

Any defense from September 1st requires re-registration for the academic year of defense. Nevertheless, the candidate is exempted from tuition fees and from the payment of the CVEC if the defense takes place before December 31st. Similarly, for any defense before December 31st, the request for derogatory registration in D4+ on the academic year of defense is optional.

E  Calendar

Reminder: the defense procedure must begin no later than 9 weeks before the defense
Any document after the deadline will not be taken into account

1. Beginning of procedure: upon receipt by fedora-doc@insa-lyon.fr of the defense form and the manuscript.

9 weeks before the defense date

1) Manuscript in pdf format including: the standard cover page, the list of doctoral schools on the second page and on the last page the completed administrative folio. The version submitted must be complete, but minor changes may be made during the procedure. 

It is strongly recommended to wait for the validation of the committee proposal before sending the manuscript to the reviewers.

2) The Defense Committee must meet the following conditions:

- The number of members of the committee is between 4 and 8;
- At least half of the committee is composed of external personalities, chosen on the basis of their scientific skills, subject to the provisions related to international co-supervision of the Ph.D.;
- At least half of the committee must be composed of professors or equivalent (see Appendix 1) under the provisions related to the appointment of members of the

---

1 The proposal for the composition of the defense committee for the doctoral thesis must meet the conditions established by Article 18 of the decree of 25 May 2016 setting the national framework of training and the modalities leading to the award of a national doctoral diploma.

2 External: persons who do not belong to the member institutions of the COMUE “Université de Lyon”, external to the Doctoral School, who have not carried out joint work with the candidate and, more generally, who have no common interest with the doctoral student, are considered external. In the case of joint supervision, persons who do not belong to the structure of the partner university are considered to be external.
National Council of Universities or teachers of equivalent rank who do not depend on the Ministry of Higher Education;

- The composition of the Committee must allow a balanced representation of women and men. In that framework, INSA Lyon proposed the following representation for the juries:
  - Less than 7 members: 1 woman minimum
  - 7 or 8 members: 2 women minimum
- The Jury includes at least two reviewers who are necessarily:
  - Holder of the HDR or belonging to one of the categories referred to in Article 16 of the decree of May 2016. In the event that a proposed reviewer does not have the status of Full Professor and works in a country that has no equivalent to HDR, a detailed resume (including, among other items: doctoral supervision activities, publications, participation in thesis defenses and role in the Jury etc.) must be sent to FEDORA for validation of the equivalence by the Doctoral School and FEDORA.
  - External
  - In addition, any committee must include at least one HDR holder from INSA Lyon.

Reminder:
- According to the regulation, invited members are not accounted in committee.
- According to the regulation, co-supervisors are considered as examiners (co-directors are recognized as fulfilling such a function).

Official documents will show these provisions. Nevertheless, a tolerance is applied regarding the cover page of the manuscript that can expose the roles of co-supervisor and guest.

3) Expected date of defense

The presumed date of defense must be established by the doctoral student in agreement with his thesis supervision. Upon reasoned request to FEDORA, it may be modified during the procedure until the authorization of defense (4 weeks before the defense), and provided that it does not have a negative impact on the deadlines. All deadlines of the procedure will depend on this date and it is the responsibility of the candidate to inform FEDORA of any modification to limit the risk of postponement/cancellation of defense.
8 weeks before the defense date

**FEDORA** edits the Committee Proposal document and sends it to the doctoral student.

**THE CANDIDATE** requests the signature of the three parties on this document: thesis direction, laboratory direction and direction of the Doctoral School and sends the signed document to **FEDORA**.
