1st year of a Ph.D.: how to register?

Registration for a PhD at INSA Lyon comprises two stages:

- **Stage 1: Pedagogic admission** by the FEDORA department, after positive opinion of the Doctoral School via the ADUM doctoral online platform
- **Stage 2: Administrative registration** in INSA Lyon (student service – DAFORAE) via the ADUM and PEGASE platforms.

Your registration will be finalized and validated only upon completion of these two stages.

Preliminary stage: Creation of your ADUM account and registration proposal of the Doctoral School¹, thesis director and laboratory (step 1 to 4 in ADUM)

- After obtaining the agreement of your thesis supervisor, **create your own ADUM account** by indicating a **valid and permanent personal email address**.
This is at this address that the information necessary for your connection to ADUM will be sent and it is this address that will be used for the duration of your PhD to contact you if necessary.
- **Log in** to the ADUM application using the url <https://adum.fr/index.pl?site=UDL>, then select INSA Lyon as your institution, using the identifiers received by email.
- **Create your application form** online by filling the information requested to proceed with your pedagogical registration for a Ph.D. Some tabs contain required fields (indicated by an asterisk). These are: Personal information | Curriculum | Thesis | Funding.
Check on the website of your Doctoral School the necessary elements for the pedagogical registration (in particular the individual doctoral training agreement) and the training program to be carried out during your Doctorate.
- When all the data necessary for your pedagogical registration are entered, you must **submit your request** to the Doctoral School.
- The application provides **electronic validation** of your submission by the secretariat of the Doctoral School, your thesis director, your laboratory director, then your doctoral school director.

You can follow the progress of these validation steps in ADUM by regularly consulting your student application in the "Registrations" tab.
